From the D.C. Mysore Dstt
D3-3527/40 Dt 22-11-41.
Regrets sanction to the appointment of a special Rev. Insp. on a pay of Rs 40 pm., a bill Collector on Rs 15/- pm. a peon on Rs 10/- pm. for a period of three months and a process server on Rs 10/- pm. for three months in the Hunsur Town Municipality for the collection of arrears of assessed taxes in the mfly.

1) The Expr involved aggregate Rs 450/- but the mch have proposed sanction for an Expr. of Rs 430/- only in this behalf.

2) Subd with a draft G.O. sanctioning for approval.

3) For this small Municipality the arrears are doubtless heavy. The special Establishment may therefore be sanctioned. But the scale proposed seems capable of some curtailment, either of the peon or the process server. The Octroi Valkar who is stated to be helping the present Bill Collector could well fill either of the two places.

4) For orders.

SUBJECT -- Entertainment of Special staff for the collection of arrears of assessed taxes in the Hunsur Town Municipality

In forwarding herewith the resolution of the Town Municipal Council, Hunsur, on the above subject passed at a Special Meeting held on the 5th November 1941 received with President's letter No 70 dated the 7th November 1941, I have the honour to state as follows:-

2 The annual demand under assessed taxes is roughly Rs 8,300/- as detailed below -

| | Rs |
|---|---|
| Mohatarfa taxes | 6,000/- |
| Water tax | 1,500/- |
| Vehicle tax | 800/- |
| TOTAL | 8,300/- |

Besides this, the arrears of Mohatarfa taxes outstanding at the end of 1940-41 were Rs 11,955/- as detailed in the statement sent as enclosure to the President's letter The existence of these heavy arrears has been specially observed by Government in their review of Demand, Collection and Balance statements for last year (Vide G O No L 4268-80/Ml 117-41-12 dated the 21st November 1941)

3 Hunsur Municipality has no Chief Officer There is a Sanitary Inspector on Rs 35/- who is entrusted with the execution of Distraint Warrants It is the general experience that Sanitary Inspectors are not good at collection of taxes and the one at Hunsur is no exception to the Rule The brunt of the collection work in this Municipality devolves on a single Bill Collector in grade

15-2½-20 Besides the actual collection of taxes, he has to maintain ~~x~~ the necessary accounts, write up and deliver bills every half year, and issue and serve notices of demand As the work was too heavy for him, he has been given the assistance of one of the Octroi Kolkars Even so, he has been unable to keep pace with the work.

4 The Municipality of Hunsur cannot afford to employ a Chief Officer In the circumstances, and in view of the heavy arrears under Mohatarfa which are outstanding, the Municipal Council have resolved to entertain a Special staff consisting of one Revenue Inspector on Rs 40/- + 5/-, One additional Bill Collector on Rs 15/-, One Peon on Rs 10/- and one Process Server on Rs 10/-,- the first three, for six months, and the last one, for three months with effect from the 1st January 1942 There is a provision of Rs 330/- in the Current year's sanctioned budget for the entertainment of this Special staff The balance of Rs 120/- is proposed to be met from the Closing Balance The finances of this Municipality are in a bad state and the need for collecting the outstanding arrears is very urgent In the circumstances, I request that sanction may kindly be accorded to the Resolution of the Municipal Council

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner
